Swimming Carnival

The swimming carnival is being run by St Francis Xavier this year. It is scheduled for Tuesday 9th December 2014 weather permitting. The backup date is Thursday 11th December 2014. More information about the starting time will come as we receive it.

Presentation Night

The presentation evening for this year will be held on Wednesday 10th December. Students will arrive at 5:30pm and the presentation will begin at 6:00pm.

End of Year

Mrs. Hopson is making a gingerbread house with every student as a gift for them for their hard work this year. They will be making these on the last three days of school. Students need to bring in their own lollies. Sour straps, smarties, snakes, party mix and chocolate caramels all work very well as decoration. Redskins and lollies like these begin to melt and do not stay in place.

Swim School is beginning on Monday!!!!!

Please make sure your child DOES NOT wear their swimmers to school.
