LUNCH ORDERS
Students can order lunch on a Thursday and Fridays. Please see attached price list. Thank you to those parents who continue to write orders down. Attached are some paper bags for your use. One order per family would be appreciated.

EXTRA Food for Students
Please pack extra food for your child/children for a few weeks as coming off holidays takes some time to get used to eating at specified times.

HEAD LICE
and check your child or children’s hair for head lice. The little critters are still looking for fresh clean hair to create a home in!

Hats And School Clothing
Ensure all clothing is named. As the sun continues its intensity students must wear their school hat. Applying sunscreen in the morning is suggested. We have sunscreen that the students can reapply here at school.

Water Bottles
As the heat continues students must bring a water
They have them in class so that hopefully dehydration doesn’t occur. If parents wish to give their child cordial or juice this is acceptable as long as they have a water bottle as well. Please do not feel like you have to purchase a drink bottle. A recycled bottle with the students name on it is perfect and we are happy to refill / fill them at school. Thank you for your cooperation.

**Important Information**

**COMPLAINTS HANDLING**

How can I make a complaint? - *A guide for parents and carers.*

It is best to discuss your concerns with your child's teacher first. Make an appropriate time to meet with them or phone the school and ask for an appointment with the teacher. If you are not happy with the result, or if you do not feel it is appropriate to talk to them, phone and make an appointment to discuss your concerns with the principal.

You may bring a friend or relative to be your support. If you need an interpreter, we can arrange that – just ask beforehand.

If your complaint is about the principal you will need to contact the school education director in your area. Ask the school office staff at your school for their name and number.

If your complaint cannot be resolved in an informal way, we may ask you to put it in writing. It is important that you include specific details of the situation and tell us what you would like to happen as a result of your complaint. We can help you to put your complaint in writing, if you require it. Alternatively a complaint form may also be used.
Complete the form and send it to the principal, or the school education director in your area.
If there is anything you would like to discuss with Tess Hopson please do not hesitate to contact her at school.
