School Operating Times
Bell rings at 9:00 a.m.
Children must be at school lined up at the bell.
If students are not at school by the time we are walking into class they will be marked absent. When they do arrive, the time will be noted on the role and it will be recorded as a partial absence. If there is no reason given as to why the student is late it will be marked as unexplained after seven days. As relayed in the P & C Meeting early in Term 2 and again on Tuesday, the end of year attendance award is based on full days of attendance and partial absences effects student eligibility for this award.
3:00 p.m.
Children walk, ride, catch the bus or travel by car from school.

School Contributions
As relayed at the P & C Meeting on Tuesday this week Helen will organise invoices for those parents who have not paid or completed payment of the contribution next week. If the contributions are not paid by the end of the first week in Term 3; Friday 18th July 2014, then Parents will be back invoiced for costs of travel and attendance to events up until this date. Further to this, parents will need to pay for all impending excursions including bus travel prior to the student attending or the student will not attend the event.

P & C Minutes
If you are unable to attend a P & C Meeting the minutes are generally located in Helen Gleeson’s Office. Community members and parents/carers are able to request them to read at any time. Please make use of these notes if you have been unable to attend or you need to clarify something.
Blue Waters

Mrs O’Neill taught the students some fun and fabulous ways to draw and create pieces of art for the Blue Waters on the Queen’s Birthday Weekend. Our students won first prize for the beautiful horse merry-go-round they created.

Krystle Ferris won a $10 prize for her drawing of a horse! Well done Krystle.
