**NAIDOC Day**

NAIDOC celebrations were a huge success yesterday with the morning beginning with a wreath laying service at Liberty Park. Students then walked down to the Recreational Ground, had a quick recess and then were treated to an hour of dancing by the Menindee Student Dance Group. Afterwards we began our rotation of the spectacular games organised. Thank you to Lake Cargelligo Central School for the organisation of the games and the AECG committee for a well-planned day.

**New Polo School Shirt**

At the P & C Meeting next week on Monday 11th August we will be asking for a final decision to be made on the design of the new school polo shirt. At present it looks like the favourite type is the same material we currently have with a collar and the main body navy blue with a strip of light blue under each arm to the bottom hem. Parents **ARE NOT** expected to purchase the new polo shirt immediately. We need to finish off our stocks of the light blue shirts we have and then the new stock will be available. There is **no change** to the red polo shirt, navy blue jumper, red jumper or the expectation of navy shorts or pants. Stocks of the blue shirt we have can be found attached to this newsletter.

**School Photographs**

Just a reminder, school photos will be on Wednesday 10th September. Attached to this newsletter is an example of the costs and types of packages.
